DINE WITH US

KAZAN Japanese restaurant invites guests to experience the art and theatre of Japanese cuisine within our uniquely designed space. The main circular dining area is illuminated above by a custom designed Kumiko ceiling, with the kitchen subtly lit overlooking the dining area like a theatrical Japanese (Noh) stage. Glass panel doors open up in warmer days to provide a cool ambience.

Walking alongside the vertical oak panels on the side of the restaurant will lead you to an exclusive private dining room. Mimicking the main dining area with illuminated Kumiko panels above, a custom-made, hand-blown chandelier suspends over a sprawling imported African marble stone table. A hint of natural light from above showcases the textures of the room, allowing guests to enjoy the lush Italian leather wall panels, wool carpeted floor and plush armchairs, whilst being served at a leisurely pace.
